Murray Foster, the Economy and Tourism team would love to hear from you. Please contact them to discuss it further.

60 Minute Mentor is a programme aimed at connecting local businesses with young people. In each 60 Minute Mentor session an entrepreneur will talk about their work. We would love to involve more local businesses. If you would like to get involved email economicd@southend.gov.uk

Networking

LUXURY HOTEL MINUTES FROM THE SEASHORE

Networking is an integral part of doing business. The Civic Centre hosts networking events for everyone from sole traders to large companies.

Networking Events

To book your place or find out more info, email marketing@southend.gov.uk

Funding

The Enterprise and Tourism team can help local businesses access a range of funding and finance incentives to grow. More information about the new business support service.

Networking

The Economic Development team has set up the "Creative Network" which is for our creative industries to network with the local business community.

Funding

Marketing

Access to finance is crucial for your business to succeed. If your business is in Southend, you can access a range of funding and finance incentives to help with your growth.

Funding

Recruitment

The Careers and Enterprise Company will talk about their work. We would love to involve more local businesses.

Networking

Networking with the right people involving a diverse range of companies can help your business connect with the right people.
