

# DMS Registration Form

Please use this questionnaire to register the details of **outdoor activity providers** with the New Vision DMS. Please give all details in **BLOCK CAPITALS**. We reserve the right to alter data to fit the space available in the computer system. **Please return to: Joy Dunlop, Cumbria Tourism, Windermere Road, Staveley, Kendal, Cumbria, LA8 9PL.**

The form consists of four parts:

1. **Contact:** gives details of the person who we can contact to check details.
2. **Venue:** describes the place the visitor goes to enjoy the activity. Complete one copy of this page for each venue with a different address.
3. **Outdoor Activity:** describes a particular outdoor activity regularly available at a venue including costs timings dates etc. Complete one copy of this page for each activity at a venue that has different admission details.
4. **Outdoor Event:** describes an event that occurs on a particular day(s) at a venue. Complete one copy of this page for each different event eg organised walks.

Always complete one copy of the contact and venue pages and at least one of the activity and events page. A large outdoor activity centre may have one venue (the activity centre), several activities such as kayaking, cycling, scrambling and wind surfing and outdoor events such as organised walks.

### Grade of route

*Strenuousness: How much time and effort will this route demand of me?*

- |                          |   |
|--------------------------|---|
| <input type="checkbox"/> | 1. Part day - a morning, afternoon or a summer evening  |
| <input type="checkbox"/> | 2. Short day - will take most of the day but you will be able to start late in the morning or finish early in the afternoon |
| <input type="checkbox"/> | 3. Full day - you will need to start promptly in the morning and will not be finished till tea-time                         |
| <input type="checkbox"/> | 4. Very full day - an early start and it will be into evening by the time you have finished                                 |
| <input type="checkbox"/> | 5. An epic day route or a multi-dayer - routes that could straddle a couple of days   |

*Navigation: How difficult is the route to follow?*

<input type="checkbox"/>	1. Roads, unmade roads, forest and woodland roads, cycle tracks and way-marked single track. All easy to follow
<input type="checkbox"/>	2. Tracks, bridleways and single track through valleys or over low fells. Route alignment is clear but you might need to identify turns or junctions
<input type="checkbox"/>	3. Packhorse routes, bridleways and single track over passes and moorland. Generally the route is clear on the ground but there may be the odd vague section
<input type="checkbox"/>	4. Packhorse routes, bridleways and single track over high passes and visiting summits. A good understanding of the route relative to terrain features will be needed to follow it accurately
<input type="checkbox"/>	5. Rough and vague bridleway and single track along the highest ridges, summits and over featureless moorland. Long sections of the route will be vague on the ground and will require a high level of experience of mountain navigation to follow the route correctly

*Technicality: How tricky will I find it?*

<input type="checkbox"/>	1. Ride able or reasonable walking surface all the way
<input type="checkbox"/>	2. Nearly all ride able/even walking all the way with the odd rough bit , cyclists may need to dismount for odd ford
<input type="checkbox"/>	3. Experience of riding over rough terrain is beneficial. Mostly rideable but with more frequent dismounts for fords, rock steps, boulders, pitched path, bogs and might have the odd push or carry and with steep descents
<input type="checkbox"/>	4. Good balance technique required to ride some sections. Will have to dismount for fords, rock steps, boulders, pitched path, bogs, sections with exposure and will have then to push or carry and with very steep descents
<input type="checkbox"/>	5. Extremely good balance technique required to ride some sections. Frequent sections requiring bikes to be pushed or carried and numerous dismounts for fords, rock steps, boulders, pitched path, bogs, sections with exposure, and with very steep descents. Sustained difficulties over rough mountains
