Bedroom/Bunk-bed/Bedspace details

Please complete the following details for each bookable product you wish to register with the DMS. A product can either be a bedroom, a bunk-bed or a bedspace. Use bedroom where the standard price is for a room or you normally let a whole room. Use bunk-bed where the price is for a bed and bedspace where there is no bed but just a mattress or space on a floor (typically a camping barn). For several identical products, complete one section. If you have sole occupancy prices for rooms but normally let by bed, then complete one entry for each room and give sole occupancy price in price notes. Please continue on additional sheets for further products.
