the route

From the car park head out on the road past "J Harrisons". You will also pass the health centre on your left.

At the end of the road turn left (which is the opposite way to the National Cycle Network 20 Sign). Ride up the hill to the end of the road and turn right on to Mowings Lane, then left at the crossroads after 150m.

Stay on this road for 3.5km up to Well House and through the hamlet of Netherhouses. Here you will see Netherhouse Farm, where you turn left up the hill. At the end of the road turn right and carry on forwards, crossing the B5281 at a staggered crossroads and continuing for a further 2km up to the next crossroads. Be careful crossing as this is a main A road. Follow the sign to Coniston.

You will pass the church on your left and the Red Lion pub is just before your next crossroads. Carry on straight over into Lowick Bridge. The road bends round to the right and follows the river south east for 2km to the end of the road at Spark Bridge.

At this junction turn left, so you don't cross the river but keep following it, then climb up away from it to arrive at a crossroads. Turn right signed to Greenodd and follow the road over the river and to the main road, which you go straight over up the hill. Take the 1st right then 1st left. The road climbs then drops steeply into Bowstead Gates, where you veer left for 400m then turn 1st right up the hill to the B5281.

Go straight across at the crossroads and then left at the next crossroads.

From here retrace the route back to the start. Turn right at the crossroads on to Mowings lane then 1st left. Go down the hill and turn right, past the health centre and back to the start.
