Free Marketing Opportunity

If you produce and or sell food / drink within the Chesterfield/ Bolsover and North East Derbyshire area here is an opportunity to market your produce to the local tourism trade including hotels, B & B's, self-caterers, tourism officers, and the Tourist Board.

We recognise that there are many local producers within our area and we aim to bring together those producers with potential customers from within the tourism sector. You will have the opportunity to mount a display and make a short presentation to our members. Your details will be circulated widely via our newsletter both before and after the event.

This opportunity could open many doors and enable you to reach new markets.

If you would like to book an opportunity to market your produce at this event please book your place now by completing the slip below and returning it by Friday 7th August. Places are limited so please reply as soon as possible. **There is no cost to you.**
