

Castleton for explorers. Who sees most? Look out for...

START

 Peveril Castle - it's 1,000 years old.

 What was life like all those years ago?

 Imagine attacking Peveril Castle. Up that hill? Would you bother?

 Sheep! How many colours of sheep do you spot today? And what other kinds of animals?

MAM TOR

FINISH

 Imagine the Mother Mountain glowing with ceremonial fire. What could the Iron Age ceremony be for?

Leadwort

Daisy

Why's it called Windy Knoll?

 How many different wildflowers do you see? What colours are they?

Mountain pansy

The 4 caverns

-  Treak Cliff
-  Blue John
-  Speedwell
-  The Devil's Arse

 Hope cement works makes cement from Peak District stone.

 **WINNATS PASS**
Crashing rivers and tumbling rocks carved Winnats Pass. The rocks are made out of compressed animal shells and skeletons.

WATER BOATMAN
 Waterboatmen and dragonflies at Landslip View Pool. Don't fall in!

DRAGON FLY

 Pick up a rock near the roadside. Can you see fossils in it? Can you feel how old it is?

AVOID FALLING ROCKS! STAY NEAR THE ROADSIDE

Odin's Mine crushing stone

Imagine being a lead miner at Odin. What can you...

Need a rest? Sit quietly, close your eyes and notice 6 different things you can hear.

 SEE
 HEAR
 FEEL
 SMELL

PEAK EXPERIENCE

Who would you like to be from Castleton's history?

Roman lead miner?

Modern ranger

Victorian rope maker

Prehistoric farmer

Leadminer's donkey
