

COVID-19 Secure Information Pack

A handwritten signature in black ink, appearing to read 'Chris Hossack'.

Business is vital to the local and national economy. As we move into recovery Brentwood Borough Council is here to help every step of the way, not just through times of crisis but to build a stronger future for the borough and the country. As we get closer to the reopening of non-essential retail across England, together with partners, the Council has produced this pack to give you the latest information you need to reopen your business COVID-19 Secure.

Councillor Chris Hossack
Leader of Brentwood Borough Council

➤ Brentwood Open Facebook Group

Use the new Brentwood Open Facebook group to promote your business to over 5,000 local followers. Tell Brentwood Open members when you are planning to reopen, what your new hours will be, what your special offers are and how they can contact you. Brentwood-based businesses are invited to share one post per day.

Brentwood Open is a project supported by the Brentwood Business Partnership, sponsored by Beresfords and Tees.

Brentwood, Shenfield and Ingatestone High Street Recovery Workshops

Brentwood Borough Council has commissioned leading retail experts, The Retail Group, to host a workshop for each of the borough's three high streets. The workshops will walk through the practicalities of how you and your neighbouring shops can work together to manage customer queues, operate safely, create more social distancing space within your shop, keep customers informed and generate more revenue with your current stock. Space is available for 15 businesses to attend each workshop.

- 10 June – Ingatestone
- 15 June – Shenfield
- 17 June – Brentwood
