

This year, Beachy Head Marathon organisers are installing road closures in the villages of Jevington and Litlington as both villages are struggling to manage the large amount of marathon spectators and runners' supporters who visit the area.

The official Beachy Head Marathon viewing area is Seven Sisters Country Park, where there is ample parking, refreshments, super views of the Marathon course and lots to learn about the area itself.

For SatNav purposes the Postcode for the Country Park is BN25 4AD and it is just a few miles west of the Marathon Start.

Organisers invite all Marathon enthusiasts to meet up at this beautiful part of the Cuckmere Valley and cheer on the participants.
