

Motcombe Pool Refurbishment

Dear Motcombe Pool customer,

In our continued efforts to improve your experience at Motcombe Pool, we have planned several refurbishments which require us to close the centre for a short period. This closure will happen between **Monday 29th July and Friday 9th August 2019 inclusive**.

We have chosen this period because the Summer Holidays tend to be one of the quietest times of year for the pool and we want to minimise disruption to users.

Please read on for further information about the closure.

How will you be affected?

For those of you on a monthly direct debit membership, we will be reducing your direct debit payment in August to half your normal price.

If you have an annual pre-paid membership, your membership end date will be extended by two weeks.

Swimming lessons will not be affected as these do not take place during the Summer Holidays. The last swimming lessons will be on Saturday 27th July. Lessons will resume as normal on Monday 2nd September. We still have spaces available on many of the classes. Please call 01323 410748 to book your place.

What work is taking place?

There will be several technical upgrades happening to the pool plant in order that it continues to operate smoothly. These include the pool filters being fully refurbished, sections of corroded pipework being replaced, and filtration systems being improved.

In addition, we will be freshening up other parts of Motcombe Pool with works including upgrading showers, repairs to flooring, some redecoration and deep cleaning.

The closure also gives us the opportunity to investigate, and hopefully resolve, some of the long-standing issues at the pool such as the regularly flooding drains.

Summer timetable

When we reopen we will be operating our summer timetable; full details of which can be found on our website at www.sporteastbourne.com.

We thank you in advance for your patience while we work on improving the pool and we apologise for any inconvenience caused. We look forward to showing you the improvements from Saturday 10th August and hope you will enjoy the difference they will bring to your experience at Motcombe Pool.

If you have any questions regarding the pool refurbishment please do not hesitate to contact us on 01323 410748 or via info@waveleisure.co.uk.

Many thanks,

Sport Eastbourne and The Wave Team
