## Camping and Caravan Sites

# Welcome to Sussex

Camping and caravanning in sunny Sussex has to be the best way to enjoy the breathtaking countryside and coastline. Set in the corner of South East England, you can choose from a wide variety of excellent locations in a richly varied landscape.

Whether you prefer to be inland in gloriously unspoilt countryside and spectacular downland, or beside the sea and coastal resorts, Sussex has it all.

You can hire your own caravan, shepherds hut or even a yurt or tipi! Contact the individual websites listed in the guide for more details.

If you enjoy outdoor pursuits such as walking, cycling or birdwatching, you'll find them here. And for those of you looking for other leisure activities, you will not be disappointed with our year-long events programme.

Visit: [www.lovesussex.com](http://www.lovesussex.com) for a comprehensive guide to what's on and what there is to do.
