Dual/Tandem Paragliding Flights

Fly with the best - British Champion 2000 and 2002 Team Captain, Steve Purdie. If you just want to fly straight from the top of the hill without going through all the training, then a tandem flight is what you're looking for. After an introduction to how it all works and a safety and pre-flight briefing, you will soar above the hills for anything up to twenty minutes. If it is not possible to soar, then we will ask you to come back another day and try again!

Maximum student weight 100kg / 16 stone.

Terms & Conditions: One voucher per person. Voucher must be mentioned at time of booking and presented on arrival. Offer is subject to availability and cannot be used in conjunction with any other offer.
