**Towner presents a unique programme of major exhibitions of contemporary and historic visual art alongside displays from the renowned Towner Collection. With award-winning programmes of learning and outreach, and a rich programme of workshops and events for people of all ages, we aim to ensure that Towner is engaging, inspiring and accessible to all.**

**Founded in 1923 to realise Alderman Towner's vision of 'an art gallery for the people', Towner has always had people at its heart. Now in an iconic new building in the heart of Eastbourne's Cultural Quarter, Towner continues the Alderman's original vision of an art gallery for the people – and we need people like you to help us carry this vision forward and help your gallery grow.**

**Towner, the contemporary art museum, seeks people with a passion for art and love for what we do to share our future. Be a vital part of the South East's largest and most forward-thinking gallery, as we move forward in our iconic new building. Get acquainted with the Towner team, get connected with like-minded people, get to know the Towner Collection and even get inspired to start collecting art yourself... Whatever you want out of this relationship, we have an option to suit!**

Your contribution provides crucial support for Towner, enabling us to provide inspirational art and experiences for the people of the South East and beyond. In return, while we can't promise you flowers on your birthday, we commit to providing the following benefits:
