Unexpected snags? If you come across any unexpected obstructions during your walk, please let us know- we would like to keep the instructions up to date. Please send your comments to: walks@lru3a.org

Liz Jones loved walking and sourced over seventy circular walks in the area. For several years she and her husband David led the U3A Walking Group and after she died in April 2013 members of this group decided to make some of her walks available to a wider audience as a tribute.

The Group would like to thank David Jones for his leadership and all his support for this project - rewalking each route and checking our efforts. Our thanks also go to Susie Gambie for creating the model for the walk maps, Sue Wilson for her layouts and technical expertise and Maurice Liddiard for coordinating the project

No. 11 Offwell Bluebells

Turn right out of car park and follow the road between the school and the church and past Offwell House on left, continuing on Ramsden Lane slightly uphill and out of village.

When close to A35, turn left at The Lynch (sign for Bluebell Farm) and as you follow this road you will get glimpses to the right of the Bishop's Tower (behind conifers). Follow the road past Bluebell Farm on left and large barn on right and take track to the left (bridleway sign) and go through gate at end into Colwell Wood continuing along track. Take left-hand fork (bridleway sign), through rhododendrons. Continue through gate and straight on along bridleway (marked). When bridleway turns sharp left, turn right onto footpath (marked) and over stone and wooden bridges and uphill (duck boards), turning left at top and following marker post straight on through gate, and down to stony area. Turn right to join part concreted drive to left. Pass house on left and continue on to road.

Turn right here and immediately left into footpath (marked) at Bagwells Cottage. Take left-hand fork towards pond and follow large stones and bricks down to footpath marker. Follow path through pedestrian gate, follow footpath marker to right through gate and between house and outbuildings to track to left beyond.

When you come to "No Public Access" sign turn left and over stile (footpath marker) across field to opening ahead (footpath marker). Through this go past "Private" gate to left and on to stile in corner. Go over this and follow footpath marker posts diagonally right down indistinct narrow path past willows on left and to a stile at bottom (footpath marker). Go over footbridge ahead and turn left to stile ahead (footpath marker), cross then bear right through gate ahead.

Turn right and go uphill on road and just past Colwell Barton stone buildings turn left into road. After 170 paces take footpath on right (signed) into woods and follow footpath through kissing gate, turn right up steps and over stile into field. Turn left and follow edge of woods and at gates ahead go over stile and follow right-hand boundary ahead to gate in corner and turn left through gate (footpath marker) into woods over a high stile. Bearing slightly left cross field to marker post to left of old tree and round the corner to gate onto road (footpath sign). Turn right on road and uphill to church and school.
