WEALTH OF INFORMATION IN THE FOREST OF DEAN 2010 VISITOR GUIDE

Whether you are a new visitor, planning to return or you just want to find out more about where you live, the 2010 Forest of Dean Visitor Guide is a must.

The new 52 page glossy guide is produced by the Forest of Dean District Council and is packed full of stunning photography, interesting facts and information about the area as well as highlighting the best sights, attractions, local food and accommodation. The increasingly popular pocket-sized pull-out visitor map is also included in the new guide.

With year round beautiful sights and varied landscapes, there are 27,000 acres of woodland where you'll find yourself at one with nature. Or there are a wide variety of activities, attractions and events to keep even the hi-adrenaline seekers happy. Or take a step back in time and enjoy the fascinating heritage and traditions, many of which are still alive today. Our guarantee is that there really is something for everyone.

A new addition to this year's guide is 'Forest Fame' so forget the red carpet and spotlights, the Forest of Dean offers a real 'on set' experience. The Forest of Dean's magic and tranquillity fuel creative imaginations and many stories have been brought to life here including Harry Potter, Merlin and Dr Who. There are many more, look out for our Film & TV Location Tours.

Councillor Patrick Molyneux, portfolio holder for Economic Regeneration said: "The Forest of Dean has already been voted a fantastic place to bring up children and this guide shows that It's also a fantastic place for everyone to visit, stay and explore."

Fifty thousand copies of the guide have been produced; they are available to download from www.visitforestofdean.co.uk or request a copy to be posted to you. They are also being displayed nationwide in tourist information centres, libraries, attractions, airports and hotels.
