How to be a Perfect Visitor

IN YOUR ROOM – Switch off and relax

- Be willing to use towels and sheets for more than one day
- Turn the TV 'stand by' button off
- Switch off the lights when leaving the room and you will be able to see the stars at night

TAKE A BREAK FROM DRIVING – Go local

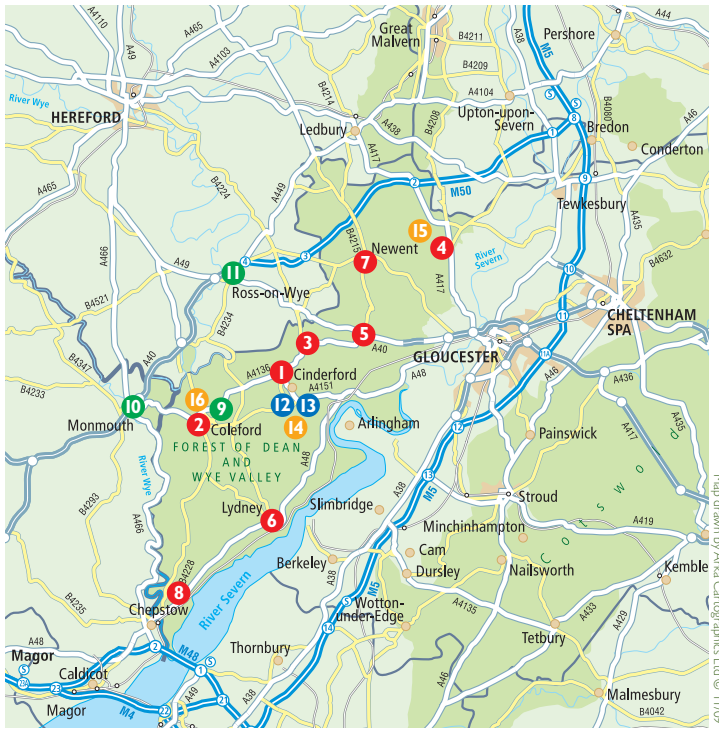

- Stretch your legs and get to know the local area – visit some of the smaller attractions such as art galleries, churches or museums
- Take the bus – for information on bus services and how to plan your day out by bus call Traveline **0871 200 2233**
- Hire a bike for an alternative way to explore the Forest of Dean, there are plenty of cycle routes (details opposite)
- Should you have access to WiFi log on to www.visitforestofdean.co.uk for further information on what to see and do

FOOD & DRINK IN THE FOREST OF DEAN – Eat and buy local

- Treat yourself to our locally produced food – check out our great markets, farm shops, local butchers, vineyards and delis or visit the Forest Food Showcases in May and October
- Sample some of the Forest specials from Stinking Bishop cheese to Freeminer beer – there's a lot to tickle your taste buds
- Choose eating establishments that use local produce on their menu.
Tip: Check out pub blackboards as well

LOOKING AFTER THE ENVIRONMENT – Country Code

- Leave nothing but footprints, take nothing but photographs
- Leave land as you find it for others to enjoy, never pick wild plants or flowers
- Tread gently, don't disturb wild or farmed animals and stick to footpaths
- Fire – never drop a lighted cigarette or match
- Pack it in, pack it out – never leave litter in the countryside, either bin it or take it home
- Recycling points are located around the Forest of Dean – please see map for locations
