

Canterbury City Council actively encourages all visitors to use the Park and Ride facilities over city centre car parks.

Parking charges

Daytime parking tariffs apply between 7am and 9pm. Linear tariff means you get the exact amount of parking time for the amount of money you put in, up to the maximum of that machine (after you have paid for the minimum fee).

Car parks

The majority of our off-street car parks are pay and display; ticket machines are located in each car park. On-street parking bays around the city are pay and display and tickets can be purchased from nearby machines. A range of coins are accepted but the machines do not give change.

Payment cards

We have two types of payment card available. (a) Our Parking Cards give a 10 per cent discount and can be used in any off-Street pay and display machine, Castle Street multi-storey car park and Park and Ride sites. They can also be used at on street pay and display parking bays. (b) Our Park and Ride cards give a 20 per cent discount to encourage our customers to park outside the city. They can only be used at all Canterbury Park and Ride sites.

For more information and to obtain an application form please visit www.canterbury.gov.uk/parking

Parking for Blue Badge Holders

Vehicles displaying a valid blue badge can use pay and display car parks for up to three hours free of charge, and can buy pay and display tickets to extend parking time if required. Please use the table to find car parks with dedicated parking bays for disabled badge holders. They have a tick ✓ in the DP column.

Motorcycle Parking

Please see the table for car parks with free motorcycle parking. They have a tick ✓ in the M/C column. Motorcyclists who park in normal parking bays must buy and display a valid ticket.

Bicycle parking

Bicycle stands are available at numerous locations around the city.

Residents' off-street parking

Residents can buy permits allowing them to park in most public car parks. There are three types of permit available: (a) A limited permit allows the holder to park overnight and at weekends and bank holidays in most pay and display car parks. (b) An unlimited permit allows the holder to park at all times in most pay and display car parks. (c) There are a number of dedicated residents' car parks in Canterbury for which specific permits are provided subject to availability.

Residents' on-street parking

Residents can buy on-street permits that allow parking without a time limit in marked bays in designated zones, and in certain car parks overnight and at weekends. These are provided subject to availability.

Residents' visitors' vouchers

Residents who live in residents' parking zones can buy visitors' vouchers for their visitors. The vouchers are available from the council at our Military Road offices or by post from the council offices.

Business users' permits

Permits are available for people who work in the city centre and regularly use their vehicle during the working day in connection with their business or employment. They allow the permit holder to park in certain car parks, making it easier to find a parking space during the working day.

Minibuses and motor caravans in Canterbury

Minibuses and motor caravans under 5.5 metres long (18'0") may park in Canterbury Coach Park during the day. There is a special reserved area for motor caravans at New Dover Road Park and Ride with extra facilities.

Please see the table for car parks fitted with 2.4 metres (8'0") height barriers. They have a tick ✓ in the HB column. Drivers with camper vans or caravans must not use these car parks. The Bekesbourne Camping and Caravan park is just off the A257 Littlebourne Road, two mile east of the city centre. It is run by the Camping and Caravan Club and has full camping and sanitary facilities. For more details visit www.campingandcaravanningclub.co.uk

Parking enforcement

Canterbury City Council is responsible for enforcing parking restrictions and employ Civil Enforcement Officers to patrol streets and car parks.

At your leisure

Visit www.canterbury.gov.uk/parking for up to date information about all aspects of parking in Canterbury, Whitstable and Herne Bay.

Whitefriars

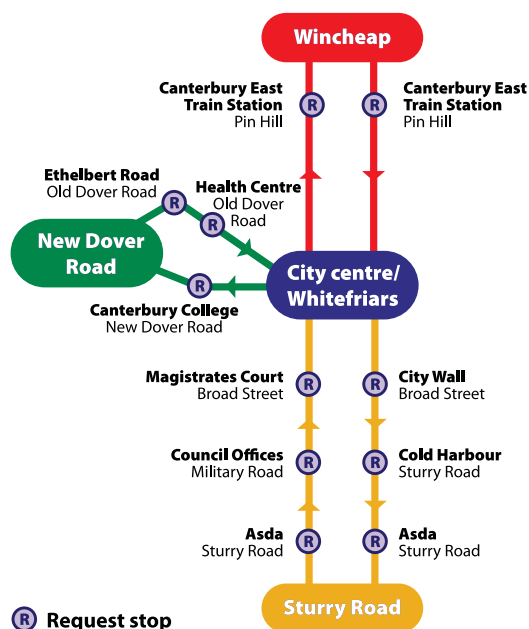

Canterbury City Council does not manage the Whitefriars shopping centre car park. For more details call the car park on **01227 826 769**. For your convenience, the Whitefriars car park is shown on the map as location 23.

Park and Ride
love your city

Park and Ride is an easy and efficient service that takes you straight to the heart of the city. You can park in one of the 1,840 spaces divided between our three sites at New Dover Road, Sturry Road and Wincheap.

Park and Ride all day for only £2.50 for the driver and up to six passengers. Buses run approximately every eight minutes, Monday to Saturday from 7am to 7.30pm. For more details visit www.canterbury.gov.uk/parkandride

New Hospital Park and Ride is available Monday to Friday from New Dover Road to Canterbury Hospital. It runs every 20 minutes from 8am to 6pm.

Use of parking facilities

To ensure the free movement of vehicles in the car parks, please make sure that your vehicle is parked wholly within a marked parking bay. Buy a ticket for the whole of the time that your vehicle is parked and leave the ticket clearly displayed in the windscreen. You may receive a Penalty Charge Notice if you do not comply.

Over 90 percent of our car parks have been awarded the Association of Chief Police Officers (ACPO) Safer Parking accreditation. Please see the council website for more details.

Comments and complaints

If you have any comments about car parking or parking enforcement, please write to:

**Transportation Manager
Canterbury City Council
Military Road
Canterbury CT1 1YW**

Phone Parking Enforcement on **01227 862 429**
Email parking.enforcement@canterbury.gov.uk
or visit Canterbury City Council offices between 8.30am and 5pm Monday to Friday.

You can also get this information in other formats including Braille, large print or audiotape. Please phone **Parking Services** on **01227 862 429** or email parking.enforcement@canterbury.gov.uk
