

How to take a bicycle through the Channel Tunnel

A cycle service which makes it easy to cycle in France (and back)

Boarding with a cycle

The Eurotunnel Cycle Service operates 7 days a week carrying cycles on specially adapted trailers and cyclists in a spacious comfortable minibus.

Depending upon the volume of traffic and the discretion of the driver, you may be able to take advantage of the facilities in the UK and French Passenger Terminal Buildings.

Fares for cyclists*

The fare is the same for adults and children with cycles. Children accompanying their parents on a child seat travel free of charge. Tandems are charged by the number of seats, occupied or not. Trailer prices are dependent on the size.
