

The Benefits of being a Visit York Tourism Partner (Conference Venue)

As the official tourism body for the city, membership to Visit York offers businesses the chance to network with around 580 organisations from hotels and retailers to printers, attractions, restaurateurs and catering suppliers.

Benefits Include:

Conference York Website

As a tourism partner, you would have an entry onto our venue search facility (Chaser) matching the requirements of conference organisers with you facilities and accommodation.

Conference Delegate Bookings

York Conference desk operates a one-stop conference delegate accommodation booking service. The booking service can also be used by residential venues who are unable to accommodate all delegates.

Conference Desk eNews

Regular newsletters are sent out to our database of conference and event organisers including details of any conference and events special offers.

Exhibitions

The Conference Desk represents its members and the city at key domestic conference and meeting exhibitions held each year. Opportunities are available for stand sharing and brochure racking.

Networking Dinners

The Conference Desk organises dinners for members involved in conferences and meetings or wanting to become involved in business tourism.

Sponsorship

The opportunity to promote your organisation to the tourism and hospitality industry by sponsoring a range of different events. These include the Residents' Festival and the prestigious Tourism Awards.

Training

Take advantage of the wide range of training courses organised by Visit York covering such issues as First Aid and Customer Care.
