

## **Be one of the first to try out the state of the art facilities at the newly re-opened premier East Coast venue - The Spa Bridlington.**

Situated on the Promenade of the award winning seaside town, this flagship venue with its opulent Art Deco theatre and Edwardian 1930's ballroom has undergone a £19m redevelopment programme and plays host to a range of conferences and events for between 3 - 3000 delegates.

The Spa now provides a range of contemporary meeting rooms offering stunning views of the seafront to compliment the magnificently refurbished theatre and Spa Royal Hall. So if you're looking for a location with a difference treat your delegates to a traditional seaside experience with a modern twist.
