

Chamber Business Expo 2009

Now in its thirteenth consecutive year, Chamber Expo is the Humber region's largest annual business event.

This year, the Expo is part of The Business Week 2009, and will see 104 exhibition stands as well as a convention programme of speaking events. This is your opportunity to promote your products and services to a captive audience of over 2000 local business people and others from far and wide. Chamber Expo consists of two main parts:

1) The Exhibition part of the event consists of 104 stands taking up the whole of the ground floor Kingston Suite and the first floor Circle Suite in the West Stand of the KC Stadium. Around 100 different companies will take these. Around 400 staff will attend from these exhibitors over the two days, plus hundreds of business visitors.

2) The Convention is made up of separate speaking events over the two days, covering a variety of topics from legislation to training, from marketing to advice on how to grow your business. Last year's convention proved to be as successful as ever with alternative talks from Hull City AFC on the business of football and the Mark Hill Salon on how it all started. The Convention takes place in the ground floor Wilberforce and Raich Carter Suites, which are adjacent to the Kingston Suite. These will each cover different regional business-related issues and attract several hundred different people in total. The Convention will also provide excellent networking opportunities.

If you are interested in holding a seminar in the convention please contact Bruce Massie on 01482 324976.

The occasion is a showcase and meeting place for businesses of every size and type.
