Let Wakefield Civic Society help you organise your group visit to Wakefield!

Wakefield Civic Society is a registered charity (236034), run by volunteers who care about Wakefield and its buildings. We have a wealth of knowledge about the city and would be happy to share this with you and your group. For a donation to the Society (suggested £3 per person, minimum of £50 per group), we can:

- *Provide introductory talks on Wakefield*
- *Offer guided walks around the city centre that will give insights into the history of the city, its buildings and its people*
- *Organise group visits to some of the city's key buildings such as the Town Hall, County Hall, Theatre Royal, The Orangery, Chantry Chapel, Cathedral, The Hepworth Wakefield, Sandal Castle etc. (NB - these will be by arrangement with the owners/occupiers and subject to availability; additional donations/entry fees may be payable for the property visited)*
- *Discounts on a selection of the Society's booklets*
- *Advice on places to eat*
- *Advice on places to visit outside the city centre*
