Things To See and Do

Village Life centres around the harbour and its thriving fishing and sailing community.

Explore... Our beautiful beaches, Scolt Head Island, salt marshes, bird life and wildlife. The Norfolk Coast Footpath is right on the doorstep, running 47 miles along the North Norfolk Coast. St Mary’s Church has a Saxon round tower and houses a Norman font.

Create... The beautiful views from Barrow Common are popular for both painting and photography. There are many exhibitions and courses throughout the year.

Relax... Enjoy the local hospitality and seafood at the Jolly Sailors, the White Horse and Deepdale Café. The village is famous for Mussels in the winter. Take in some local art or browse the shops at Dalegate Market.

Beautiful Throughout The Year... As one of the driest villages in the country, there is always something to enjoy outdoors. Watch the sky fill with pink-footed geese during winter. January and February are great months for fresh beach walks, May and June offer some of the best weather for sailing, kiting and sea kayaking. October and November are glorious wildlife months.

Travelling To and Around

Train and Coach King’s Lynn bus and rail stations connect with London and the Midlands. Brancaster Staithe and Burnham Deepdale are about 25 miles North East of King’s Lynn. (Trains from London allow bikes for free)

Bus The CoastHopper service runs regularly along the Norfolk coast between King’s Lynn and Sheringham. www.coasthopper.co.uk Tel. 0870 6082608

Cycling National Cycle Route 1 and Norfolk Coast Cycleway pass close by, lots of country lanes to explore.

Walking The Norfolk Coast Footpath, farm, inland and beach walks are all enjoyable throughout the year, linking with the bus service.
