

Prospective Performers

If you have an act which you think would be suitable for performing at the Eastbourne Bandstand and are interested in joining our exciting programme, please send a demonstration CD together with information about the act and any photos you may have to:

Phillip Oakland
Seafront Manager
1 Grove Road
Eastbourne
East Sussex
BN21 4TW

We will then review the suitability of your act and contact you should we wish to make a booking, therefore please ensure you provide your contact details.

For your information, we usually commence the booking procedure for the coming years programme towards the end of September
