

LOCAL ACCESS FORUM

CAN YOU HELP?

The Local Access Forums in Bedfordshire are looking for new members. Anyone with an interest in public access in the countryside is invited to apply.

The Borough of Bedford Local Access Forum (BoBLAF) and the Central Bedfordshire and Luton Joint Local Access Forum (JLAF) meet once a quarter (the JLAF currently has 2 online meetings per quarter due to Covid) to discuss various topics relating to access and the countryside of Bedfordshire.

It seeks to improve public access across the county working with the Local Authorities. Our members represent a wide range of interests including Trail Riding, horse riding, cycling, land owners and ramblers.

Please see our websites for further information.
