Bridlington has lots to discover all year round

Set on the stunning Yorkshire coast, Bridlington provides traditional seaside delights with excellent food outlets, interesting shops and historic houses and gardens to explore.

Passengers can be dropped off by prior arrangement, close to the seafront at Bridlington's award winning leisure centre or next to the thriving fishing harbour, offering a unique glimpse into one of Europe's most successful shellfish ports. Both drop-off locations are on the doorstep to the town's main attractions and continue to prove popular with visitors. Bridlington is an easy-access town and can be enjoyed by those who require a gentler setting.

Bridlington Tourist Information Centre, located near the leisure centre drop-off, can provide all the information that your passengers need including how to book show tickets at The Spa or activities at the leisure centre.
