SEABIRD CHALETs

Modern take on the traditional style beach chalet. Situated adjacent to an outdoor paddling pool and within easy reach of cafés, parking and toilets. These much sought after, larger chalets are ideal for families/groups and have a table and bench seating inside. Some of these chalets are wheelchair accessible, please ask at the time of booking.

PRINCESS MARY PROMENADE

Our most popular chalets boast a fantastic view across the south bay. Situated next to an outdoor paddling pool and within easy access of cafés, parking and toilets, these chalets are ideal for families. There are free-to-use table tennis tables and volleyball nets nearby. Some of these chalets are wheelchair accessible, please ask at the time of booking.

NORTH MARINE DRIVE

Situated on the dog friendly North Beach this is Bridlington's original chalet location. The chalets have direct access onto the beach and are within easy access of parking, toilets and cafés. The Bridlington land train platforms are located within walking distance of the chalets.

SOUTH CLIFF

Situated directly on a dog friendly beach and within easy access of the Bridlington Park & Ride, cafés, toilets and the south side land train platform, South Cliff is a popular chalet site for both families and pet owners. Please be aware that South Cliff beach is gaining in popularity as a busy sports venue and it is likely there will be sporting activities taking place during your visit, please check with us.

BELVEDERE

A quiet and secluded chalet site located on the South Promenade, ideal for those wishing to enjoy a gentler pace of life. With access to the dog friendly beach, Belvedere is ideal for pet owners. The nearest parking, café and toilet facilities are an approximate five minute walk from the chalets.

HORNSEA

Located on the promenade in Hornsea, these chalets offer a spectacular view across the bay. Adjacent to the café and paddling pool with car parking and toilet facilities close by, they are ideal for the whole family.
